

Marine Corps League Venture Crew SUMMIT Award Good Citizenship Award

Venturing's purpose is to provide positive experiences to help young people mature and to prepare them to become responsible and caring adults, with an emphasis in adventure, leadership, personal growth, and service. The Venturing Summit Award is available to all Venturing youth members of the Boy Scouts of America. Venturers must participate in activities, take on various leadership roles, explore personal growth, and complete a service project to achieve this highest award.

Upon request, a member of the Southern Indiana Leathernecks Detachment will attend your Venture Crew Scout's Award Ceremony and make the presentation of the Citizenship certificate & medal. To initiate recognition by our Detachment, the supporting Venture Crew Troop should submit a request to the Detachment by completing the attached form.
